

Be A Healthier You

Your comprehensive wellness program

LivingHealthy

POWERED BY **WebMD** | health services

Be the best version of you! At **Dean Health Plan**, we understand your life is busy. We want to support you along the path to a healthier lifestyle. We all know being healthy is the goal, but getting there can be challenging. That's where Living Healthy comes in! Powered by **WebMD**, a leader in health care, Living Healthy has many tools and resources that can make being healthy achievable and fun.

Living Healthy Features

Health Assessment

A quick questionnaire that helps you take the first steps to a healthy lifestyle.

Complex Case Management

We are here to help if you've been diagnosed with a complex health condition.

Interactive Tools and Resources

Be better informed about your health with a symptom checker, videos and more.

Partner Perks

Our members receive special discounts from local health and fitness facilities.

Health Coach

Get expert support if you have diabetes, COPD, asthma, heart failure or coronary artery disease.*

Quit for Life

Get support to end your tobacco use today. No-cost medications may be available.

Living Healthy Rewards

Your rewards. Your choice.

Earn up to \$100 in rewards!

Dean Health Plan will reward you up to **\$150*** for your healthy lifestyle. It's one of the many reasons Living Healthy has its rewards!

Here's how it works:

Choose the healthy activities you want to complete

Points
500

Each completed activity is worth reward points (example: 500 points = \$50)

Earn up to 1,000 points for a maximum of \$100 per calendar year **(before December 31)**

Rewards come in the form of gift card(s) of your choice to many national retailers, restaurants and other popular merchants

* Check with your plan administrator for reward offerings specific to your plan. Only Dean Health Plan members, ages 18 and older, are eligible for Living Healthy Rewards. Your employer may be required to report health plan-issued incentives as taxable income. Dean Health Plan may be required to report incentive payment information to your employer. Your health information is protected by federal law and will not be shared with your employer.

† Covered adult children (ages 18 and older) can earn up to \$100 per year for completing healthy activities; however, they are not required to complete the Health Assessment.
