

Dane County Employee Bus Pass Program | 2024-2025

Overview

Dane County encourages employees to choose sustainable transportation by providing a free unlimited ride Metro Transit or Monona Transit pass for all employees upon request.

Your annual pass will allow you to ride the bus at any time—use it to commute, get to meetings, run personal errands, and more. The bus is a great way to save money, avoid the hassle and stress of driving and parking, and support the environment!

Eligible Participants: Free bus passes are available to full-time and limited-term employees of Dane County. Employees of the State of Wisconsin are not eligible.

Requesting a Pass

Employees may request a bus pass at any time throughout the year. Current passes are valid from April 1, 2024 - March 31, 2025. To request a pass, send your name, department, and preferred mailing address to roundtrip@cityofmadison.com or call (608) 266-7433.

Using Your Pass

Print your contact information on the front of the pass before first use. Passes are for the personal use of employees only. Your pass will be deactivated if you leave employment with the County.

Please report lost, stolen or damaged passes to roundtrip@cityofmadison.com or (608) 266-7433. You will receive a replacement pass at no charge and your old pass will be deactivated.
