SUBJECT: OPEN COMMUNICATION

Section 1:

- a. At Dane County, we believe that communication is at the heart of good employee relations. Employees should share their concerns, seek information, provide input, and resolve work-related issues by discussing them with their supervisors until they are fully resolved. It may not be possible to achieve the results an employee wants, but the supervisor needs to attempt to explain in each case why a certain course of action is preferred. If an issue cannot be resolved at this level, the employee is welcome to discuss the issue with the manager of his/her department. The supervisor should set up a time for both of them to meet with the manager. If the employee's concern cannot be resolved with the manager, the employee may discuss it with the Department of Administration. The manager shall schedule that meeting for the employee.
- b. Regardless of the situation, employees should be able to openly discuss any work-related problems and concerns without fear of retaliation. Managers and supervisors are expected to listen to employee concerns, encourage their input, and seek resolution to the issues and concerns. Often this will require setting a meeting in the near future. Managers and/or supervisors are to set these meetings as quickly as possible, and employees are expected to understand that issues and concerns may not always be addressed at the moment they arise. Discussing these issues and concerns with management will help to find a mutually acceptable solution for nearly every situation.
- c. If an employee has a concern about discrimination and/or harassment, Dane County has special procedures to report and address those issues. The proper reporting procedures are set forth in the organization's Harassment Policy.

EMPLOYEE BENEFIT HANDBOOK

Section 3:

Post-Retirement Leave Conversion Medical Reimbursement Plan

a. Purpose:

Dane County has adopted a Post-Retirement Leave Conversion Medical Reimbursement Plan (hereinafter, "Medical Plan") and a Governmental 401(a) Special Pay Plan (hereinafter, "Retirement Plan") (together called the "Plans") to allow retiring employees to convert accumulated leave into a supplemental retirement benefit on a mandatory basis.

b. General

The Plans are intended to allow some flexibility in the conversion of the unused accumulated leave. Dane County will apply a formula, set forth in section d below, to convert a retiring employee's unused accumulated leave (hereinafter, "Benefit"). The benefit will be paid to the retiring employee through a supplemental benefit plan.

It is the County's intention that, to the extent permitted by law, the benefits provided by the plan not be subject to FICA taxes. In addition, to the extent permitted by law, these benefits are to be tax deferred for both federal and State income tax until the retiree withdraws them from the plan. However, the County makes no warranties or representations regarding the tax treatment of any contribution made or amount received under the Plan. Employees should consult their own tax advisor to determine how to treat the supplemental benefits provided by the Plan.

Under the Plans, employees will continue to be allowed to defer their enrollment in the County's health and dental plans for a period of up to ten years after their retirement, provided that they were participating in the health and/or dental plans at their retirement.

c. Eligibility

The conversion of unused leave is automatic and mandatory upon retirement and all retiring employees with unused accumulated leave on the date of their retirement will participate in the Plan.

To "retire" and be eligible for this Plan, an employee must have reached or will reach age fifty-five (55), or age 50 for protective service employees, or older, during the calendar year of retirement, must retire from employment with the County, and be eligible for retirement benefits from the Wisconsin Retirement System (re-hired annuitants are not eligible to retire again from the County).

d. Calculation of Benefit

1. Sick Leave: An employee who retires with Dane County shall receive a Benefit for the number of hours of unused accumulated sick leave held by the retiring employee on his or her date of retirement, based on the following formula: Total hours of accumulated sick leave to a maximum of 1740 x regular hourly rate of pay at time of retirement.
2. Vacation: Total hours of earned vacation leave x regular rate of pay including longevity pay at time of retirement.
3. Sabbatical/vacation bank: Total hours in the employee's sabbatical/vacation bank x regular rate of pay

EMPLOYEE BENEFIT HANDBOOK

including longevity pay at time of retirement.

4. Holiday pay: Total hours of holiday pay x regular rate of pay including longevity pay at time of retirement.

e. Payment of Benefits:

1. Dane County, no later than fifteen (15) days after the retirement of an employee, shall make a contribution equal to 100% of the amount calculated under d.2 and d.4 to the 401(a) Retirement Plan Trust and/or 457(f) qualified deferred compensation plan in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Plan selection shall be based upon the age of the participant and the amount of the contribution in an effort to maximize participant tax savings without subjecting plan participants to IRS premature withdrawal penalties if applicable.
2. Election of Form of Benefit: Within thirty (30) days of receiving written notice of an employee's retirement, Dane County shall elect the form in which the retiring employee will receive the benefit under d.1 and d.3. The County's election of the form of benefit will be based on an interview with the retiree to collect information regarding the retiree's financial needs and/or retiree access to health care. The interview will be conducted by representatives of the Plan provider. At the option of the retiree, he or she may be accompanied by an Employee Group Representative, or a representative of their choosing. The County and/or Plan provider shall notify retiring employees of their right to have a representative present. The Benefit can only be paid to the retiring employee in one of the forms set forth in paragraph 5.3. Dane County will notify the retiring employee in writing (within the thirty (30) day time period identified above) of the election made by Dane County.
3. Form of Payment: Retiring employees who are eligible to receive a benefit under d.1 and d.3 will be paid the Benefit in one of the following forms, pursuant to the election made in paragraph e.2:
 - a. Dane County shall make an annual contribution to the PRIME Trust, or the Medical Plan Trust (selected by the parties) for the benefit of the employee to pay for health, dental, and other insurance premiums and un-reimbursed medical expenses specified under Internal Revenue Code Section 213. The annual contribution will be equal to 135% of the annual cost of health and dental insurance premiums for County sponsored insurance for the retiree and dependent(s), if any. If the retiree chooses a non-County sponsored plan, the annual contribution will be equal to 135% of the annual cost of the health and dental insurance premiums for the retiree and dependent(s), if any, plus the amount of the plan deductible up to \$5,000 per person (\$10,000 maximum), annually. If the retiree's health and/or dental insurance premium cost increases during the calendar year, the retiree shall notify the County and the County will make a supplemental contribution equal to 100% of the additional premium amount for that calendar year. The annual contributions will continue until the benefit amount calculated in d.1 and d.3 is exhausted by the retiree or their qualified dependent beneficiaries. If the retiree participates in outside insurance, it is the responsibility of the retiree to notify the County and provide documentation of any premium change including annual increases.

The County shall notify the Plan Administrator about any premium changes no later than October 1 prior to the effective date of the premium increase. The Plan Administrator shall notify all retirees about specifics of the premium changes, if any, no later than October 31 prior to the effective date of any increase. contribution amount shall be based upon the plan(s) that they are currently in.

For retirees who defer their participation in the County's health and or dental insurance plans, contributions will commence once the retiree begins participation in the County's health and or dental plans. If a retiree initially defers participation in the County's health and or dental plan, and during the deferral period, determines to never participate in the County's health and or dental plans, then the County will begin making an annual contribution equal to 135% of the family HMO health plan and the family dental plan. Such contributions will commence upon notice by the retiree to decline coverage or at the end of 10 years following retirement, which ever comes first.

An annual contribution of 35% of the cost of the Single (HMO) premium shall be made for retirees who choose to defer their participation in the County's health and/or dental insurance plans.

If the retiree dies before the balance is exhausted and has no surviving spouse or dependents, the County will make a payment of the remaining balance to the retiree's estate. This distribution will be subject to income tax.

b. Dane County shall make a contribution equal to 100% of the amount calculated in d.1 and d.3 to the Retirement Plan Trust and/or 457(f) qualified deferred compensation plan (selected at Dane County's discretion) in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Said contribution shall be made no later than twenty- one (21) days following the date on which an employee retires.

f. Plan Administrator

Dane County is hereby designated as the Plan Administrator. The Plan Administrator shall have the authority to control and manage the operation and administration of the Plan, including the authority to make and enforce reasonable rules or regulations for the efficient administration of the Plan. The Plan Administrator shall give reasonable notice of the availability and terms of the Plan to employees and shall keep accurate records of all benefits paid under the Plan.

g. Miscellaneous

This Plan shall be constructed and enforced according to the laws of the State of Wisconsin, where Dane County is located.

This document is descriptive only, and is subject in all regard to the documents establishing the Medical Plan and the Retirement Plan.

If this program becomes unavailable for any reason or if the terms of the program change in a way that may result in additional costs to the employee or to the County, the Employee Group's Representatives and the County will meet to discuss the provisions of this policy as set forth in the procedures outlined in the Dane County Civil Service Ordinance Section 18.32.

SUBJECT: SICK LEAVE

Section 1:

- a. Sick Leave Definition. Sick leave shall be defined as time off the job with pay because of: illness, bodily injury, exposure to a contagious disease, attendance upon members of the immediate family; and diagnostic treatment, dental procedures and opticians services when such services are performed by duly licensed practitioners.
- b. Immediate Family Definition. An employee's immediate family shall be the following relations of the employee, his/her spouse or his/her Domestic Partner: spouse, children, step-children, foster children, siblings, step-siblings, parents, step-parents, foster parents, grandchildren, grandparents, brother-in-law, sister-in-law, son-in-law and daughter-in-law. Also included are other relatives of the employee, spouse or Domestic Partner residing in the employee's household. Domestic Partner shall be defined as provided in chapter 18 of the ordinance.
- c. Sick Leave with Pay Credits. All full-time employees covered by this policy shall be granted sick leave with pay credit at the rate of four (4) hours of sick leave for each bi-weekly pay period during which an employee receives compensation for forty (40) or more hours of work or the equivalent compensation. Part-time employees shall earn sick leave credits on pro-rata basis.
- d. The maximum accumulation of sick leave shall not exceed one thousand seven hundred forty (1,740) hours on the last date of each payroll year.
- e. Use of Sick Leave Credits. Employees shall inform their supervisor or department head as is appropriate of their need to be absent prior to their regularly scheduled starting time the first day and each day thereafter when return to work is doubtful; when their absence can be anticipated because of an appointment, such notice shall precede the absence by five (5) days when possible. The time off on sick leave for such appointments as are necessary shall be the minimum time required by the employee; but where it is possible for the employee to do so and in the interests of departmental efficiency, such appointments will be scheduled as near as possible to the end of the work day.
 1. Employees may use sick leave credits for temporary emergency care of ill or injured members of their immediate family (defined above), not to exceed five (5) days for any one (1) illness or injury; however, the five (5) days may be extended in unusual circumstances with prior County approval.
 2. If an employee is absent from work for any of the reasons set forth under the sick leave definition above, and at such time has accumulated insufficient sick leave credits to cover the time lost, the amount of time lost shall be deducted from current earnings of said employee, provided, however, that for each month worked during such calendar year by said employee during which no sick leave is taken, said employee shall be reimbursed for the time he/she had lost as a consequence of the insufficient accumulation of sick leave credits.
 3. Employees may at their option use vacation credits, holiday credits, or compensatory time due, to extend sick leave.
 4. Employees may use vacation or holiday time in lieu of sick leave. Substituting other leave time for sick leave does not relieve the employee of any obligation to follow call in procedures. Absences may be used

- g. Supplemental Sick Leave Bank. If an employee has reached the maximum number of hours allowed for conversion at retirement (the "cap"), the County will automatically deposit unused, accrued sick leave hours above the cap into a supplemental sick leave bank at the end of each payroll year. The hours deposited in the supplemental sick leave bank may be used during any absence caused by a medical condition that would be covered under the Family and Medical Leave Act (FMLA). The condition must be confirmed in writing by the treating physician, but the County will not require employees to submit the Health Care Provider Certification required for an FMLA leave.
