None of the statements or policies outlined in this Handbook are meant to create a contract of employment.

To the extent this handbook conflicts with specific language in applicable collective bargaining agreements covering certain personnel, the specific language of the collective bargaining agreement shall control over the language of this Handbook.

SUBJECT: OPEN COMMUNICATION

Section 1:

- a. At Dane County, we believe that communication is at the heart of good employee relations. Employees should share their concerns, seek information, provide input, and resolve work-related issues by discussing them with their supervisors until they are fully resolved. It may not be possible to achieve the results an employee wants, but the supervisor needs to attempt to explain in each case why a certain course of action is preferred. If an issue cannot be resolved at this level, the employee is welcome to discuss the issue with the manager of his/her department. The supervisor should set up a time for both of them to meet with the manager. If the employee's concern cannot be resolved with the manager, the employee may discuss it with the Department of Administration. The manager shall schedule that meeting for the employee.
- b. Regardless of the situation, employees should be able to openly discuss any work-related problems and concerns without fear of retaliation. Managers and supervisors are expected to listen to employee concerns, encourage their input, and seek resolution to the issues and concerns. Often this will require setting a meeting in the near future. Managers and/or supervisors are to set these meetings as quickly as possible, and employees are expected to understand that issues and concerns may not always be addressed at the moment they arise. Discussing these issues and concerns with management will help to find a mutually acceptable solution for nearly every situation.
- c. If an employee has a concern about discrimination and/or harassment, Dane County has special procedures to report and address those issues. The proper reporting procedures are set forth in the organization's Harassment Policy.

Section 1:

- a. At the discretion of their supervisor retiring employees may be permitted to remain in paid status by using accrued vacation and other paid time (excluding sick leave) until such time is exhausted. If the retiring employee's supervisor refuses such a request, the decision may be appealed to the Director of Administration who shall decide the matter and whose decision shall be final.

Section 2:

Accrued Sick Leave Credit Conversion

- a. Sick Leave Conversion. Any employee covered by this policy who either:

1. dies while a County employee, or
2. retires from County service and, within sixty (60) days of his/her last day paid, applies for a retirement annuity from the Wisconsin Retirement Fund and/or Social Security, shall have his/her hours of sick leave credit, not to exceed one thousand seven hundred forty (1740) hours as of his/her date of retirement or death, converted to a monetary value (referred to herein as his/her "sick leave conversion") equal to the product of his/her hours of sick leave credit, but not to exceed one thousand seven hundred forty (1,740) hours, multiplied by his/her normal hourly rate of pay in effect as of his/her date of retirement or death.

Such conversion shall be made as of the date (referred to herein as the "conversion date") of such employee's retirement or death. Notwithstanding the foregoing, a retiree described in this section may elect, prior to his/her conversion date, to delay such conversion to a later date within the ten (10)-year period following his/her retirement date.

Within a reasonable period after becoming covered by this policy, an employee shall complete and file a beneficiary designation form with the County, on which he/she shall designate the person(s) who shall receive any sick leave conversion balance remaining after the date of his/her death. The final payroll check will be made payable to the retiree's estate, and will be accompanied by the Beneficiary Form for proper distribution.

- b. Utilization of Sick Leave Conversion.

1. Death. The sick leave conversion of any deceased employee described in (a) (1) shall be paid, to the deceased employee's estate, within sixty (60) days after notification of designated payee after the date of his/her death.

Section 3:

Post-Retirement Leave Conversion Medical Reimbursement Plan

EMPLOYEE BENEFIT HANDBOOK

a. Purpose:

Dane County has adopted a Post-Retirement Leave Conversion Medical Reimbursement Plan (hereinafter, "Medical Plan") and a Governmental 401(a) Special Pay Plan (hereinafter, "Retirement Plan") (together called the "Plans") to allow retiring employees to convert accumulated leave into a supplemental retirement benefit on a mandatory basis.

b. General

The Plans are intended to allow some flexibility in the conversion of the unused accumulated leave. Dane County will apply a formula, set forth in section d below, to convert a retiring employee's unused accumulated leave (hereinafter, "Benefit"). The benefit will be paid to the retiring employee through a supplemental benefit plan.

It is the County's intention that, to the extent permitted by law, the benefits provided by the plan not be subject to FICA taxes. In addition, to the extent permitted by law, these benefits are to be tax deferred for both federal and State income tax until the retiree withdraws them from the plan. However, the County makes no warranties or representations regarding the tax treatment of any contribution made or amount received under the Plan. Employees should consult their own tax advisor to determine how to treat the supplemental benefits provided by the Plan.

Under the Plans, employees will continue to be allowed to defer their enrollment in the County's health and dental plans for a period of up to ten years after their retirement, provided that they were participating in the health and/or dental plans at their retirement.

c. Eligibility

The conversion of unused leave is automatic and mandatory upon retirement and all retiring employees with unused accumulated leave on the date of their retirement will participate in the Plan.

To "retire" and be eligible for this Plan, an employee must have reached or will reach age fifty-five (55), or age 50 for protective service employees, or older, during the calendar year of retirement, must retire from employment with the County, and be eligible for retirement benefits from the Wisconsin Retirement System (re-hired annuitants are not eligible to retire again from the County).

d. Calculation of Benefit

1. Sick Leave: An employee who retires with Dane County shall receive a Benefit for the number of hours of unused accumulated sick leave held by the retiring employee on his or her date of retirement, based on the following formula: Total hours of accumulated sick leave to a maximum of 1740 x regular hourly rate of pay at time of retirement.
2. Vacation: Total hours of earned vacation leave x regular rate of pay including longevity pay at time of retirement.
3. Sabbatical/vacation bank: Total hours in the employee's sabbatical/vacation bank x regular rate of pay including longevity pay at time of retirement.
4. Holiday pay: Total hours of holiday pay x regular rate of pay including longevity pay at time of retirement.

EMPLOYEE BENEFIT HANDBOOK

e. Payment of Benefits:

1. Dane County, no later than fifteen (15) days after the retirement of an employee, shall make a contribution equal to 100% of the amount calculated under d.2 and d.4 to the 401(a) Retirement Plan Trust and/or 457(f) qualified deferred compensation plan in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Plan selection shall be based upon the age of the participant and the amount of the contribution in an effort to maximize participant tax savings without subjecting plan participants to IRS premature withdrawal penalties if applicable.
2. Election of Form of Benefit: Within thirty (30) days of receiving written notice of an employee's retirement, Dane County shall elect the form in which the retiring employee will receive the benefit under d.1 and d.3. The County's election of the form of benefit will be based on an interview with the retiree to collect information regarding the retiree's financial needs and/or retiree access to health care. The interview will be conducted by representatives of the Plan provider. At the option of the retiree, he or she may be accompanied by an Employee Group Representative, or a representative of their choosing. The County and/or Plan provider shall notify retiring employees of their right to have a representative present. The Benefit can only be paid to the retiring employee in one of the forms set forth in paragraph 5.3. Dane County will notify the retiring employee in writing (within the thirty (30) day time period identified above) of the election made by Dane County.
3. Form of Payment: Retiring employees who are eligible to receive a benefit under d.1 and d.3 will be paid the Benefit in one of the following forms, pursuant to the election made in paragraph e.2:
 - a. Dane County shall make an annual contribution to the PRIME Trust, or the Medical Plan Trust (selected by the parties) for the benefit of the employee to pay for health, dental, and other insurance premiums and un-reimbursed medical expenses specified under Internal Revenue Code Section 213. The annual contribution will be equal to 135% of the annual cost of health and dental insurance premiums for County sponsored insurance for the retiree and dependent(s), if any. If the retiree chooses a non-County sponsored plan, the annual contribution will be equal to 135% of the annual cost of the health and dental insurance premiums for the retiree and dependent(s), if any, plus the amount of the plan deductible up to \$5,000 per person (\$10,000 maximum), annually. If the retiree's health and/or dental insurance premium cost increases during the calendar year, the retiree shall notify the County and the County will make a supplemental contribution equal to 100% of the additional premium amount for that calendar year. The annual contributions will continue until the benefit amount calculated in d.1 and d.3 is exhausted by the retiree or their qualified dependent beneficiaries. If the retiree participates in outside insurance, it is the responsibility of the retiree to notify the County and provide documentation of any premium change including annual increases.

The County shall notify the Plan Administrator about any premium changes no later than October 1 prior to the effective date of the premium increase. The Plan Administrator shall notify all retirees about specifics of the premium changes, if any, no later than October 31 prior to the effective date of any increase. Retirees must notify the County of any change in the plan(s) that they will enroll in by November 15 of the preceding year. If the County does not receive such notification, the annual contribution amount shall be based upon the plan(s) that they are currently in.

For retirees who defer their participation in the County's health and or dental insurance plans, contributions will commence once the retiree begins participation in the County's health and or dental

EMPLOYEE BENEFIT HANDBOOK

plans. If a retiree initially defers participation in the County's health and or dental plan, and during the deferral period, determines to never participate in the County's health and or dental plans, then the County will begin making an annual contribution equal to 135% of the family HMO health plan and the family dental plan. Such contributions will commence upon notice by the retiree to decline coverage or at the end of 10 years following retirement, which ever comes first.

An annual contribution of 35% of the cost of the Single (HMO) premium shall be made for retirees who choose to defer their participation in the County's health and/or dental insurance plans.

If the retiree dies before the balance is exhausted and has no surviving spouse or dependents, the County will make a payment of the remaining balance to the retiree's estate. This distribution will be subject to income tax.

- b. Dane County shall make a contribution equal to 100% of the amount calculated in d.1 and d.3 to the Retirement Plan Trust and/or 457(f) qualified deferred compensation plan (selected at Dane County's discretion) in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Said contribution shall be made no later than twenty- one (21) days following the date on which an employee retires.

f. Plan Administrator

Dane County is hereby designated as the Plan Administrator. The Plan Administrator shall have the authority to control and manage the operation and administration of the Plan, including the authority to make and enforce reasonable rules or regulations for the efficient administration of the Plan. The Plan Administrator shall give reasonable notice of the availability and terms of the Plan to employees and shall keep accurate records of all benefits paid under the Plan.

g. Miscellaneous

This Plan shall be constructed and enforced according to the laws of the State of Wisconsin, where Dane County is located.

This document is descriptive only, and is subject in all regard to the documents establishing the Medical Plan and the Retirement Plan.

If this program becomes unavailable for any reason or if the terms of the program change in a way that may result in additional costs to the employee or to the County, the Employee Group's Representatives and the County will meet to discuss the provisions of this policy as set forth in the procedures outlined in the Dane County Civil Service Ordinance Section 18.32.
